Hi Aymeric!

Sorry I'm responding to this a little bit late, I almost missed seeing the email completely because I get so much Junk in my emails it clogs it up... I did send you a message on WhatsApp but didn't hear back, is everything OK? Was wondering if you had managed to find a job yet... I hope life is going well for you back in France, let us know how you're doing...

All is well here, Pablo enjoying high school and doing lots of drama/theater

Take care,

Deb
